

Caledonia - Dougie MacLean

D A D G
I don't know if you can see, the changes that have come over me.
D A D G G
These last few days I've been afraid, that I might drift away.
D A D
I've been telling stories, singing songs, that make me think
G
about where I come from.
D A D G G
That's the reason why I seem so far away today.

Chorus:

D A D
Ah but let me tell you that I love you, that I think about you all the
G G
time.
G D A D D
Caledonia you're calling me, now I'm going home.
D A D
But if I shall become a stranger, know that it would make me more than
G G
sad,
G A D D
Caledonia's been everything I've ever had.

D A D
Now I have moved and I've kept on moving, proved the points that I
G
needed proving,
D A D G G
Lost the friends that I needed losing, found others on the way.
D A D
I have kissed the girls and left them crying, stolen dreams, yes there's
G
no denying,
D A D G G
I have travelled hard with conscience flying, somewhere in the wind.

Chorus:

D A D G
Now I'm sitting here before the fire, the empty room, a forest choir,
D A D
The flames have cooled. don't get no higher, they've withered now
G G
they've gone.
D A D
But I'm steady thinking my way is clear, and I know what I will do
G
tomorrow,
D A D G G
When hands have shaken, the kisses flowed, then I will disappear.

CHORUS: X 2

Repeat last line, end on single strum (D)
