

## LDN – Lily Allen

[F] Riding through the city on my [C7] bike all day 'cause the  
[F] filth took away my [C7] license It

[F] doesn't get me down and I [C7] feel OK 'cause the  
[F] sights that I'm seeing are [C7] priceless

[F] Everything seems to [C7] look as it should But I

[F] wonder what goes on be-[C7]-hind doors a

[F] fella looking dapper, but he's [C7] sitting with a slapper

Then I [F] see it's a pimp and his [C7] crack whore

[F] You [C7] might [F] laugh you might [C7] frown

[F] Wal-[C7]-kin' [F] round London [C7] town

### *Chorus:*

[F] Sun is in the sky oh [C7] why oh why? Would I

[F] wanna be anywhere [C7] else

[F] Sun is in the sky oh [C7] why oh why? Would I

[F] wanna be anywhere [C7] else

[F] When you look with your [C7] eyes

[F] Everything seems [C7] nice

[F] But if you look [C7] twice

[F] You can see it's all [C7] lies There was a

[F] little old lady, who was [C7] walking down the road

She was [F] struggling with bags from [C7] Tesco There were

[F] people from the city having [C7] lunch in the park I

[F] believe that it's called al [C7] fresco

Then a [F] kid came along to [C7] offer a hand But

[F] before she had time to [C7] accept it

[F] hits her over the head, doesn't [C7] care if she's dead

Cause he's [F] got all her jewellery and [C7] wallet
