How Much Is That Doggie In the Window?

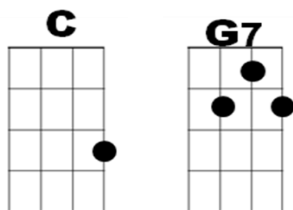

```
C                                                      G7
```
How much is that doggie in the window? (woof woof!)
```
G7                                         C
```
The one with the waggly tail
```
C                                                      G7
```
How much is that doggie in the window? (woof woof!)
```
G7                                            C
```
I do hope that doggie's for sale

```
C                                       G7
```
I must take a trip to California
```
G7                                                   C
```
And leave my poor sweetheart alone
```
C                                                   G7
```
If she has a dog, she won't be lonesome
```
G7                                                   C
```
And the doggie will have a good home

```
C                                                    G7
```
How much is that doggie in the window? (woof woof!)
```
G7                                           C
```
The one with the waggly tail
```
C                                                       G7
```
How much is that doggie in the window? (woof woof!)
```
G7                                            C
```
I do hope that doggie's for sale
