[Am]Ooh[Cmaj7]-ooh, [F]ooh-ooh[G]

/ - single strum
// - double strum
↓ - knock uke

[Am]Every time you come around, [Cmaj7]you know I can't say [F]no [F] // [G]//
[Am]Every time the sun goes down, [Cmaj7]I let you take con[F]trol [F] // [G]//
[Am]I can feel the paradise [Cmaj7]before my world im[F]plodes [F] // [G]//
And [Am]tonight had some[Cmaj7]thing wonderful [Am]/

↓ ↓ ↓ ↓

My bad habits lead to [Am]late nights endin' alone[Cmaj7]
Conversations with a [F]stranger I barely know
[F] // Swearin' [G]//this will be the [Am]last, but it probably [C]won't
I've got nothin' left to [Dm]lose, or use, [Dm]/or do

[Dm]/My [G]//bad habits lead to [Am]wide eyes stare into space[Cmaj7]
And I know I lose con[F]trol of the things that I say
Yeah, I was [G]lookin' for a [Am]way out, now I can't escape [C]
Nothin' happens after [Dm]two, it's true, it's true
My bad [G]habits lead to [Am]you

Ooh[Cmaj7]-ooh, [F]ooh-ooh
My bad [G]habits lead to [Am]you
Ooh-[C]ooh, ooh-[Dm]ooh
My bad [G]habits lead to [Am]you

[Am]Every pure intention ends [Cmaj7]when the good times [F]start [F] // [G]//
[Am]Fallin' over everything [Cmaj7]to reach the first time's [F]spark [F] // [G]//
It [Am]started under neon lights [Cmaj7]and then it all got [F]dark [F] // [G]//
I [Am]only know [Cmaj7]how to go too far [Am]/
