Intro: [G] [G] [G] [G]

[G] This water is too salty, for [G] me to even drink.
I'd [G] rather walk the dreaded plank
Than [G] ↑↓↑↓ stay another week.
But it's [C] you my love
[D] __ You're my land [G] ahoy [G] [D]

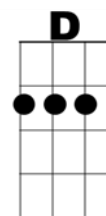

[D] __ And I'm [G] sick of being beaten, and [G] whipped and lashed to death,
I [G] want one night with no backache
But [G] ↑↓↑↓ I won't hold my breath.

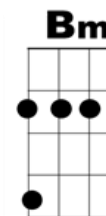

But it's [C] you my love
[D] You're my land [G] ahoy, Yeah, you're my [D] boy
[G] Yo-ho, Sebastian

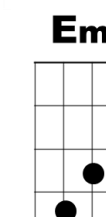

[G] // Let's go [Bm] // far a [Em] way
[Bm] Somewhere where the [D] captain won't be [G] mad
[G] Yo-ho, Sebastian

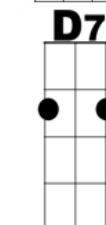

I [G] // wanna [Bm] // love you [Em] good
[Bm] We deserve much [D] better than we've [G] had [G]

They [G] say they're gonna kill me, if I [G] look at you once more
[G] Pissed in my hammock yesterday,
So [C] // I'll sleep [D] // on the [G] floor
I'd be [C] under the sea,
[D] but you hold me [G] above [G] [D]

[D] __ And they [G] put glass on my sandals,
So my [G] feet would bleed all day,
And [G] they forced me to wear them,
Or they [C] // said they'd [D] // make you [G] pay
I'd be [C] under the sea,
[D] but you hold me [G] above.
'Cos you're the man I [D] lo[D]ve
