

A WINTER'S TALE – David Essex 1983

Intro:

[C] [G7]// [C]/ [F]/ [C]/

TACET

The [C]// nights are [G]/ cold...[C]/er [F] now
[Em] Maybe I should close the [F] door [F]
And anyway the [C]//snow has [G7]//covered all your [Am]
footsteps, And [F] I can follow you no [G] more.

The [C]// fire still [G]/ burns [C]/ at [F] night
My [Em] mem...ories are warm and [F] clear [F]
But everybody [C]//knows, it's [Dm]//hard to be [F]//alone at this
[G7]// time of [C] /// year [F] / [C] / STOP

TACET

It was [C] only a winter's [G7] tale
[C]// just another [C7]// winter's [F] tale
And [C] why should the world take [Dm] notice, of [C] one more
love that's [G] failed
It's a [C] love that can never [G7] be
Though it [C]// meant a lot to [C7]// you and [F] me
On a [C] world wide scale, we're [G]// just another [G7]//winter's
[C]/// tale [F] / [C]

[C]// While I [G]/stand [C]/al...[F]one
A [Em] bell is ring...ing far a [F]way [F]
I wonder if you [C]//hear, I [G7]//wonder if you're [Am] listening
I [F] wonder where you are [G] today

A WINTER'S TALE – David Essex 1983

Good [C]// luck, I [G]// wish [C]// you [F] well
For [Em] all that wish...es may be [F] worth [F]
I hope that love and [C]//strength are [Dm]// with you,
for the [F]//length of your [G7]//time on [C]///earth [F] / [C] /
