SLEIGH BELLS // // // X 2

[C]It's the most beautiful time of the **[G]** year,
Lights fill the streets spreading so much **[Am]** cheer,
I should be playing in the winter **[F]** snow,
But I'mma be under the mistle-**[C]**toe.

[C]I don't wanna miss out on the holi-**[G]**day,
But I can't stop staring at your **[Am]** face,
I should be playing in the winter **[F]** snow,
But I'mma be under the mistle-**[C]**toe.

[C]With you, shawty with **[G]**you,
With you, shawty with **[Am]**you,
With you, under the **[F]** mistletoe.

[C]Everyone's gathering around the **[G]** fire,
Chestnuts roasting like a hot **[Am]** July,
I should be chillin' with my folks, I **[F]** know,
But I'mma be under the mistle-**[C]**toe.

[C]Word on the streets Santa's coming to-**[G]**night,
Reindeer flying thru the sky so **[Am]** high,
I should be making a list, I **[F]** know, but I'mma be under the
mistle-**[C]**toe.

[C]With you, shawty with **[G]**you,
With you, shawty with **[Am]**you,
With you, under the **[F]** mistletoe.

[C]With you, shawty with **[G]**you,
With you, shawty with **[Am]**you,
With you, under the **[F]** mistletoe.

Aye **[C]**love, the Wise Men followed a **[G]** star,
The way I followed my **[Am]**heart,
And it **[F]** led me to a miracle.

Aye **[C]**love, don't you buy me **[G]**nothing, 'cause I am feeling
one **[Am]**thing,
Your lips on my **[F]**lips,
That's a **/STOP** Merry Merry Christmas.

[C]It's the most beautiful time of the **[G]** year,
Lights fill the streets spreading so much **[Am]**cheer,
I should be playing in the winter **[F]** snow, but I'mma be under

[C]With you, shawty with **[G]**you,
With you, shawty with **[Am]**you,
With you, under the **[F]** mistletoe.

[C]Kiss me underneath the mistletoe, **[G]**show me baby that
you love me so, **[Am]**Oh, oh
Oh, oh, **[F]**ohhh
